# CAMP HARKNESS MASTER PLAN ~

Attention all Camp Harkness Passholders, Campers, Families, and Friends....

Are you interested in the future of Camp Harkness?

Come hear about the new **CAMP HARKNESS MASTER PLAN**. A site plan for long-term improvements for the park was designed by Silver Petrucelli and Associates architecture firm and Avis Land Studio landscape architecture with input from the Camp Harkness Advisory Council, summer camp directors, park staff, many passholders, and park users.

Now we want to hear from YOU!! Your comments and ideas are welcome!

Included are the following potential features:

- Introduction of a New England Village theme to the Camp.
- Reconfigured entry and new roadways for improved traffic flow through the park.
- New equestrian facility and horse pasture.
- Restored woodlands and new trails, all wheelchair accessible.
- New cottages, open air pavilions and shade structures, a wheelchair accessible tree house.
- Expanded parking.
- New fishing pier and rock crop viewing platform.
- Wheelchair accessible salt marsh walk and viewing platform.
- New amphitheater, fire pits and expanded view shed to Long Island Sound.
- New natatorium, expanded lawn area and addition of native plant species to curb invasive growth.

This is an exciting long-term proposal with many opportunities to improve Camp Harkness!!! If anyone is interested, we are looking for volunteers to join a committee to review the plan and explore possibilities for implementation and funding.

For your choice and convenience, repeat presentations on the Camp Harkness Master Plan will be held on the following dates/times:

- Thursday, March 26th: 1-2:30 p.m.
